REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2018

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2018. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities' issued in March 2005.

Merseyside Sports Foundation (MSF), for the reporting period above, was in its fifth year of operating and has seen a number of milestones achieved. MSF has continued to strengthen its governance, structure, achievements and development of its five trustees and six members of staff.

Highlighted Successes

During this reporting period MSF has seen some significant new successes. MSF would like to highlight the following:-

- Provided advice, guidance and funding support to over thirty local organisations, encouraging local communities to lead a more active lifestyle.
- Provided a strategic overview of Sefton Club infrastructure A commission, valued at £10,000, secured to review the support provided to voluntary sector sports clubs in Sefton. A series of large scale stakeholder engagement events and an on line survey was successfully completed. This resulted in a comprehensive development plan detailing key priorities, capacity requirements and support services needed to ensure the voluntary club infrastructure can flourish across Sefton.
- Improved capacity, skills and knowledge amongst primary school workforce across Merseyside. Over 100 teachers attended a conference to improve their understanding and evaluation of the impact which physical activity and sport has on pupils, both within the school day and afterschool. See example of success http://www.merseysidesport.com/pe-sport-premium-workshop-case-study/
- Increased physical activity provision within the workplace amongst public, private and voluntary sector organisations. This saw £8,000 worth of grants being distributed to organisations to enable the purchase of equipment and training to help deliver activity sessions to improve the wellbeing of their workforce.
- Improved capacity through education and training workshops. MSF have coordinated 39 workshops to 525 coaches and volunteers improving their skills, knowledge and competencies (53% Male, 47% Female, 58% from priority areas), See example of success of improved skills impact http://www.merseysidesport.com/assets/Sainsburys-Active-Kids-Inclusive-Community-Training-Case-Study.pdf

Legal and operational perspective, Merseyside Sports Foundation has retained the following services 2016-2017:-

- DLP Solicitors, continue to provide capacity to the Foundation in areas of recruitment, human resources and any legal advice. This relationship continues to be excellent and there are no issues to report here.
- lp's Associates Chartered Accountant, continue to provide a service as an Independent Examiner as well as providing payroll support and processing for all employees. This relationship too has been excellent and had provided much advice around HMRC.
- The accounts are held with the Co-Operative Bank, which is not only an ethical bank, but equally in a comparison exercise, had no charges at the time for utilising their services.
- Both the Chair and one trustee are authorised signatories for this account. A preferred method of payment is via Bacs and there are now a number of suppliers added to this via the online banking system. This provides easy access and there are clear financial processes in place for payment.
- Insurance continues to be provided through Tennyson Insurance Brokers, who once again provided an excellent quote for the year. They provide Public Liability, Employees Liability and Trustees Indemnity cover. Again, an excellent organisation to work with and no issues to report.
- Pension provider analysis researched for implementation as of May 2017 for the Foundation staff

Staffing perspective: Merseyside Sports Foundation has maintained its staff levels during 2016-2017:-

- Sport and Physical Activity Officer, who supports organisations to develop and implement a successful children and young people development programme
- Research officer, who has been instrumental in providing data, information and insight to support local organisations to grow physical activity opportunities for local residents
- Officer Manager (PT), who ensures MSF operates efficiency and effectively providing high quality support to the Board of Trustees, in order to priorities and target resources appropriately
- Business Support Officer, to assist with external contracts and communications

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2018

In additional MSF has recruited on short term contract, two additional members of staff as follows:-

- Business Support Officer, who provides administrative support and guidance to organisations
- Sport and Physical Activity Officers, who supports organisations to develop and implement a successful children and young people development programme

All staff have actively participated in a leadership and team building programme http://www.thecolourworks.com/ which has proven very successful in the delivery of the charities objectives.

It is anticipated that within 2017-18, there will be many new opportunities for the Merseyside Sports Foundation, particularly building capacity, leadership and supporting organisations with funding applications to inspire the people of Merseyside to become more active. In doing so, MSF will be investigating the options for a trading service to better meet its objectives.

FINANCIAL REVIEW

Reserves policy

The Board of Trustees conduct an annual review of the level of unrestricted reserves in the general fund by considering risks associated with the various income streams, expenditure plans and balance sheet items. This enables an estimate to be made of the level of reserves that are sufficient:

- to allow time for re-organisation in the event of a downturn in income or asset values
- to protect ongoing work programmes
- to allow the Charity to meet its objectives

Investment policy and objectives

The trustees' investment objective is to maximise long-term total return. The trustees' investment policy is to achieve long-term growth in both income and capital value through low risk bank savings.

FUTURE DEVELOPMENTS

The charity's aims and objectives remain constant and do not change from year to year.
