

MERSEYSIDE SPORTS FOUNDATION

Example statements for your club or organisation to personalise and publish to show your community that you are aware of mental health and that you are taking action to support individuals and create a welcoming and accessible environment for all.

It is important to think about what your club wants to implement and prioritise the steps it takes. You are best taking the right steps and embedding them into practice at the right time. You don't need to do everything all at once. Or feel pressure to implement something that doesn't suit participant needs.
